

DISTRIBUTORS WANTED

EU - Switzerland - Morocco

Especially: Austria - Germany - Portugal
Spain / Canary Islands - France - Italy

We are

It's On zinc is produced by Suenyo Vertriebs GmbH. Suenyo was founded in 2021 by Belinda and Mitch, two dedicated surfers and sportsmen. Belinda has been working in the pharmaceutical industry for more than 10 years and Mitch has worked in the surf industry for 5 years. Together they have developed a high quality mineral sun protection with outstanding skin caring properties.

We offer

commission based distribution of It's On zinc sun protection. It's On is produced in the EU according to highest cosmetic standards, comes in a plastic-free packaging, is dermatologically tested and suitable for sensitive skin.

You are

an experienced distributor and want to expand your product portfolio. Therefore you will work with us as an independent sales partner.
