

SALES AGENTS WANTED

GERMANY · SWITZERLAND · AUSTRIA · FRANCE

Stranda Snowboards, makers of premium directional snowboards and splitboards are all designed around the turn. We've seen very strong growth in sales over the last three seasons, fuelled by great reviews and word of mouth.

Brand awareness is now at the point where it's time to grow our dealer presence and we're looking for agents to lead that.

We want partners who understand premium, technical product and the shops that sell it.

Existing dealer relationships in snowboard/splitboard retail are a strong plus.
