

## **Event Staff Freelancer, DACH Region (Germany, Austria, Switzerland)**

Holzkirchen-Föching, Germany

### **SUMMARY**

To support our Events in the Germanic Market we are looking for dynamic and highly motivated Freelancer with passion for cycling. As part of the Specialized Event Team you will be responsible for setting up and realizing events such as exhibitions, festivals, dealer events and festivals (Germany, Austria, Switzerland, p.r.n. other Countries). The main working period is Thursday to Monday (including setup and dismantling of the Event). You should be a proactive and sports-minded personality and bring along a hands-on and communicative mentality.

### **KEY RESPONSIBILITIES AND OUTPUTS**

- Implementation of assigned events like test events, festivals and exhibitions/ trade fairs
  - Loading and driving event vehicles
  - Maintaining of event material and bikes
  - Set-up and dismantling of the event area
  - Service at the event regarding the consumer (adjusting bikes, communicate with the customers and giving product information/ sales advices)
  - As appropriate: guided tours
- Ensure internal/external fairness and competitiveness of remuneration practices, processes and policies

### **KNOWLEDGE AND EXPERIENCE REQUIRED**

- Student of Sports Science, Sports Management, Event Management or other related degree (at least 3<sup>rd</sup> term would be advantageous)
- Experiences regarding event organization or project management would be advantageous
- Passion for bikes and product knowledge concerning the bicycle industry is desirable
- Fluent in German and English
- Driver license (B), BE, if possible

***CAUGHT YOUR INTEREST?*** - Apply online via [specialized.com/careers](https://specialized.com/careers) or follow the QR-Code

### **ADVANTAGES**

- Acquire experience in a terrific working atmosphere with a great team
- Variety of tasks with the possibility to bear responsibility
- Insights into a well-known and international company
