### JOB DESCRIPTION

With a presence in more than 40 countries, at Mondraker we understand the complexity and dynamism of the global market.

It is essential to provide an excellent service to our dealers, distributors, and suppliers, to keep moving forward and improving that service we are looking for a specialized Accounting Technician to join our economic-financial team.

At Mondraker, we believe in an enriching and collaborative work environment, where every challenge is transformed into growth and the economic-financial area follows the same line, so that change and continuous improvement are part of the DNA of the area, along with a vocation of collaboration with the rest of the areas to continue achieving the goals we set ourselves.

This position will be located in Spain.

### MAIN TASKS:

- Sales invoicing, collection management and customer support in accounting aspects. Focus on German speaking customers, but a high level of English is essential.
- Control of customer credit limits and follow-up with the insurance company.
- Contribute to meeting audit deadlines.
- Managing the submission of sales invoices to the SII.
- Reporting directly to the accountant responsible for the client area.

### REQUIREMENTS:

- Minimum experience of 3 to 5 years in a similar role.
- Bilingual command of German and high level of English.
- Knowledge of SAP would be an advantage.
- Passion for the world of cycling will be considered a competitive advantage.

If you feel you fit into our team and share our passion for the world of cycling, we invite you to become part of the Mondraker family and contribute to the legacy of a brand renowned for its innovation.

We look forward to welcoming you!
