

Atomic is one of the leading manufacturers of wintersports equipment and part of the Amer Sports Corporation. For our headoffice in Altenmarkt im Pongau / Salzburg we are seeking at the earliest possible date:

PRODUCT MANAGER SKI WEAR AND GEAR (M/F) (MATERNITY LEAVE REPLACEMENT UNTIL 05/2022)

In this central role you will be responsible for preparing the Atomic ski wear and gear product ranges in consideration of strategic brand aims. You will thereby act as the interface between the commercial go-to-market organization, design and product development as well as our global supply chain.

KEY MISSION AND ACCOUNTABILITIES:

- Strategic product range planning (ski wear, logo wear, head wear, bags) in coordination with the Business Unit Management with the aim of sustainable, profitable growth
- Ongoing analysis of market & consumer trends in consideration of relevant trends for the product range design and product lifecycle planning
- Contributing to the design- & development of new product offers through a detailed understanding of customer requirements and the transposition thereof into clear function & use requirements
- Creation and ongoing maintenance of the material master, as well as actively supporting the marketing team in the design and development of the essential marketing tools
- Contact partner and proactive supporter of the commercial go-to-market organizations and their customers with product and market expertise

YOUR PROFILE AND REQUIRED COMPETENCIES:

- Completed studies (university/technical college) and/or specific professional experience with a focus on business administration, marketing or product management
- Excellent communication skills and a persuasive personality
- High product affinity as well as a sound understanding of the commercial market and customers in the sports wear or sports equipment industry
- Fluent written and spoken German and English
- Solid computer skills (MS Office) are required
- Independent and structured work method
- Flexibility and willingness to travel

WHAT WE OFFER:

- A varied, demanding and self-responsible activity in the Sports Industry
- Comprehensive development and training opportunities
- Flexible working hours and home office possibility
- Attractive social and employee benefits
- Canteen on site

The annual collective agreement's minimum salary for this position is € 37.000 gross. Depending on your personal qualifications and vocational experience, we offer an appropriate payment in excess thereof for this highly responsible activity and opportunities for development in a globally active group of companies.

If the scope of these responsibilities meets your expectations, please be welcome to [apply Online](#) with all usual application documents.
