

Career.

Sales agents.

who we are

Historical Italian brand Fantic Motor, manufacturer of complete E-MTB range and winner of "2018 Design and Innovation Award" premium in Germany with XF1 INTEGRA 180 mm is expanding the sales agents network in Germany.

we're looking for...

We are looking for dynamic and motivated persons (independent sales agents) that will be in charge of developing the sales network in autonomy, opening business with more retailers according to the potential of the area covered and the sales targets agreed with the International Sales Manager. We produce and deliver all models from the north of Italy.

makes a difference

Background and experience in the bike industry for similar position will be considered a plus during selection. Fluent english is required. We offer an important commission on sales.
