Hei! I am Christina Lein

ILLUSTRATOR / MOTION DESIGNER

Originally from Northern Norway, I´ve spent the last 19 years living in Beijing, Shanghai, New York, and Innsbruck. Growing up in the mountains and working in the action sports (AIR+STYLE Beijing, Nanshan Open, Arctic Challenge etc.), music, and fashion industries, my inspiration comes from my diverse experiences.

Currently, my passion lies in creating artwork for brands, and in particular action sport brands.
