

# steffi sagstetter

I'm a freelance filmmaker based in **Salzburg, Austria**.

After more than 9 years in video production, ranging from **producing action & documentary content for Red Bull** to traditional Austrian TV for ORF, I've found my passion in **nature, outdoor activities & action sports, food, interior & sustainable living**.

I'm a visual story teller (**video producer | director | editor | filmer**) freelancing all over Europe.

I love banana bread & bikes, in reverse order probably. Please get in touch if you're looking for someone to **write, direct, plan, produce, edit or shoot**. I always bring cake, too.
