

KOMA GRAFIK is a small design studio based in Munich, Germany. Sports, music and of course graphics are our greatest passions and we love to bring them together in our work.

Over the past few years we have collaborated with many brands in the action sports sector, which has given us the opportunity to meet many interesting people who share our enthusiasm.

If you are looking for creative partners for the visual side of any such projects (editorials, event artwork, campaign logos, PoS material etc.) we would be happy to share our ideas and work with you. Simply drop us a note, send an email, come by or give us a call.

A cold beer and/or a hot cup of coffee are always available!
