After 3 years working in a SEA agency based in Hamburg/Germany as a campaign manager, I decided 2009 to go my own path and work with (board-)sports companies only.

Since then I am managing international campaigns for brands, companies and shops based in Germany, France, Spain and the US...

As a certified Google Ads Professional I know all the tricks to provide you with efficient Ads (originally AdWords) campaigns, but also with impactful banner campaigns in the Google Display Network or even Remarketing. Data analysis and usability consulting is also part of my daily business to improve the effect of web advertising.

If you are searching for a web marketing specialist, with focus on Google & Bing Ads, do not hesitate to get in touch with me.
