

# HELLO! I'M LINDA

I'm a professional copywriter and passionate Surfer and Skater. Whether you're looking for great content that speaks your audience's language or need help to effectively bring your thoughts on to paper with creativity and accuracy, you've come to the right place.

My biggest passion in writing, however, remains in board-sports and its accompanying lifestyle. My curiosity and my thirst for the unknown leads me, personally, to the most diverse places on earth. Professionally, in turn, these qualities enable me to quickly familiarize myself with new topics and allow me to push the boundaries of creativity in my projects.

## EXPERIENCE

By working in different advertising agencies and as a freelance copywriter, I have gained experience in a wide variety of industries. From the healthcare sector to nonprofit organisations, from the world's market leading chainsaw provider to surf and skate online shops.

## I SPECIALIZE IN
