SEBASTIAN HASENAUER

Social Media | Video | Content

Not a Videographer, not a Photographer.

It's that CONTENT GUY.

**In a world full of Image videos and High-end Visual Ad Campaigns
it's not about who tells your brands message on social media anymore
It's about how you tell it, and how you spread your content across the different channels in order to get the attention of your (future) Followers and customers WHERE you want it.**

It needs to be heard by your customers and seen by the algorithm.

I can help you with that. Let's talk!
