

EDITOR, JOURNALIST, PR

**LIFESTYLE || BOARDSPORTS || REPORTAGE || TRAVEL || PRODUCTS**

---

My passion for snowboarding and surfing inspired me 7 years ago to co-found the female boardsport and lifestyle magazine „Golden Ride“. Ever since I worked as publisher, editor in chief and freelance texter and am specialized in the female side of boardsports: people, adventure, travel, art, fashion and products. Beside the girls' perspective I also know the boardsports scene very well.
