

GERGELY KISS

Brand & Graphic Designer, UI & Visual Designer

Unleash Your Brand's Potential with My Design Expertise

**I offer a range of graphic design services encompassing
brand identity, editorial and illustration design,
as well as UX and UI design.**

Feel free to reach out if:

- You're open to hiring a freelancer, even for full-time or part-time positions.
 - You need assistance to help your on-set people for a project or ongoing support.
 - You seek a reliable freelancer you can count on for individual projects.
-

**Ready to transform your story into a compelling design
that resonates with your audience?**
