

After 15 years of experience in designing and developing functional apparel, accessories and trims I, Jana Leonhard, decided to do my own thing in 2008. In the past years I was employed at GENTIC, ODLO and MAMMUT where I had the opportunity to work directly with producers, athletes and sales teams in various countries. As an ambitious snowboarder, yogamaniac and mountaineer I know what it means to wear the perfect cloths for the right conditions.
