

TRANSLATION / EDITING / TRANSCRIPTION / COMMUNICATION

My name is Janine and I love bridging language and cultural gaps in order to connect. I am passionate about boardsports and love finding solutions for your projects. I am based at the French Atlantic coast.

According to my degree in sustainable economics, I believe in the benefits of applying durable values in day to day life and in my work. While growing up in Germany with multiple languages, such as German, Italian, English and French, I built up a strong cultural base for my work.

GERMAN

*mother
tongue*

ITALIAN

*heritage mother
tongue*

ENGLISH
