

Social Media Manager Marketing Manager Eventmanager Boardsports Enthusiast

As a studied Media Manager (Sports & Events) and trained retail salesman I decided to work as a freelancer over a year ago.

With a good eye for content, a creative approach and good texting skills I will take care of your social media channel. In addition to that I can provide you with social media strategies for businesses with a close eye on the objectives.

Offline I am able to plan, execute, supervise and report events of all kinds.

Most of all I am a boardsports enthusiast for over 18 years now, who loves working in the industry and putting his skill set to good use wherever it is needed.
